# STAR WARS

# E P I S O D E I

From the new *Star Wars* movie comes the most anticipated pinball game ever produced. Based on *Star Wars: Episode I*, Williams Electronics Games has combined revolutionary Pinball 2000 technology with actual sound and video from the movie to create the most explosive gameplay in any galaxy.

Players train to become a Jedi as they progress through 13 different game sequences. Gameplay difficulty increases as players evolve through the various Jedi levels, from Jedi Youth to the highest honor of Jedi Spirit. To achieve each level of Jedi status, players must complete a lightsaber duel against the evil Darth Maul.

Challenging, adventurous and visually captivating, *Star Wars: Episode I* pinball is more than a struggle between good and evil. It's an epic in the making.

## ACTION BUTTON

Use the action button (located in front of the flipper button) for increased game control. Scroll through scene choices, shoot torpedoes and lasers and add to gameplay intensity.
