IMPLY.COM

Bowling has always been a classic attraction: impossible not to look, irresistible not to play.

MiniBowling Imply® is an attraction created for family entertainment, designed to grow the operators profitability and improve customer experiences.

WE HAVE A
BOWLING
FOR YOU
No matter
THE SIZE

Mini Bowling

- Bright Bowling: The lanes shine under black lights with glow in the dark effects!
- 55" HD LCD's display the score.
- Easy to operate: The MiniBowling requires minimal maintenance. Engineered with the highest quality, for the best durability in high use flows. For more convenience, the front panel opens for maintenance.
- Color changing RGB lighting effects on the pins, along the lanes and on the balls elevator.
- Lane with phenolic synthetic laminates with high durability and resistance, Imply® lanes look like new for many years of use.
- The compact lanes with smaller balls and pins, make the game easier and fun for all ages.
  Ball: 1.7Kg (3.7 lbs) and 13cm (5.1") diameter.
  Pin: 1.1 Kg (2.4 lbs) and 23cm (9.1") height.

- Up to 6 players can have fun in the same game.
- Fast software with extremely simple and intuitive interface designed for better player experience. Just insert a credit to start making strikes!
- Gameplay programmable by the operator:
  - Pro: 10 frames, 2 shots per frame.
  - One Shot: 10 frames, 1 shot per frame.
  - Fast: 5 frames, 2 shots per frame.

  The software includes an exclusive timer (regressive time counter) to avoid slow play.
- Displays the lane high scores.

- Can be operated with tokens, coins, smartcard, or central management.
  *coin/token/smartcard mechanism not included
- Optional Redemption Tickets: You can set the value for the tickets.

OPTIONAL

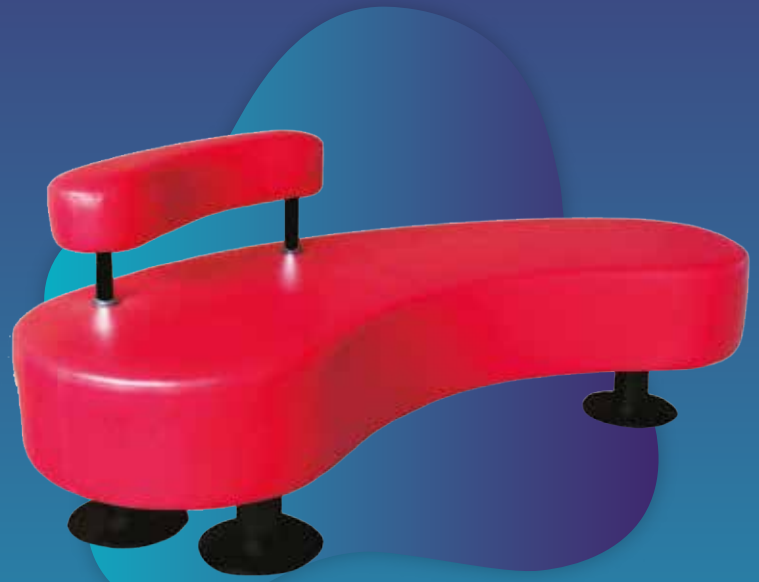
Bowling Lounge Furniture

- Designed specially for the Bowling industry, this concept creates a casual atmosphere with greater comfort for your customers. Thus, they can relax while waiting their turn to play, in a perfect setting for drinks and snacks. This means greater satisfaction to the public, and more profitability for the bowling. Available in various colors and models offer combinations for different decorations:



SOFAS
Made in ecologic leather.
Available colors:

- Black
- Ivory
- Red
- Lemon Green
- Orange
- Chocolate

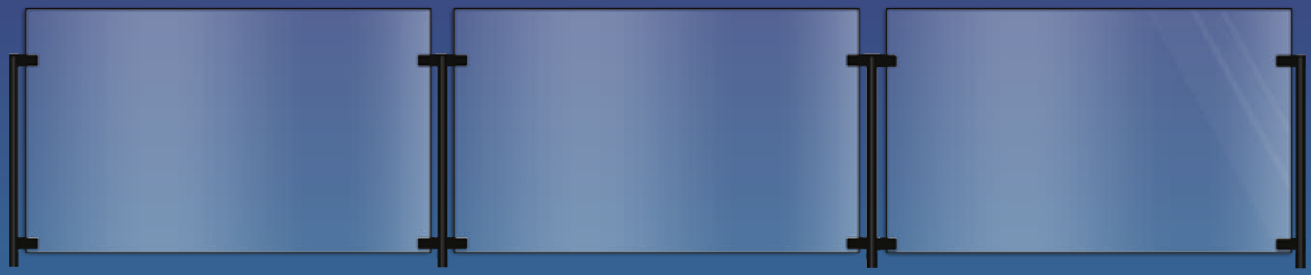
TABLES
With an innovative design.
Available colors:

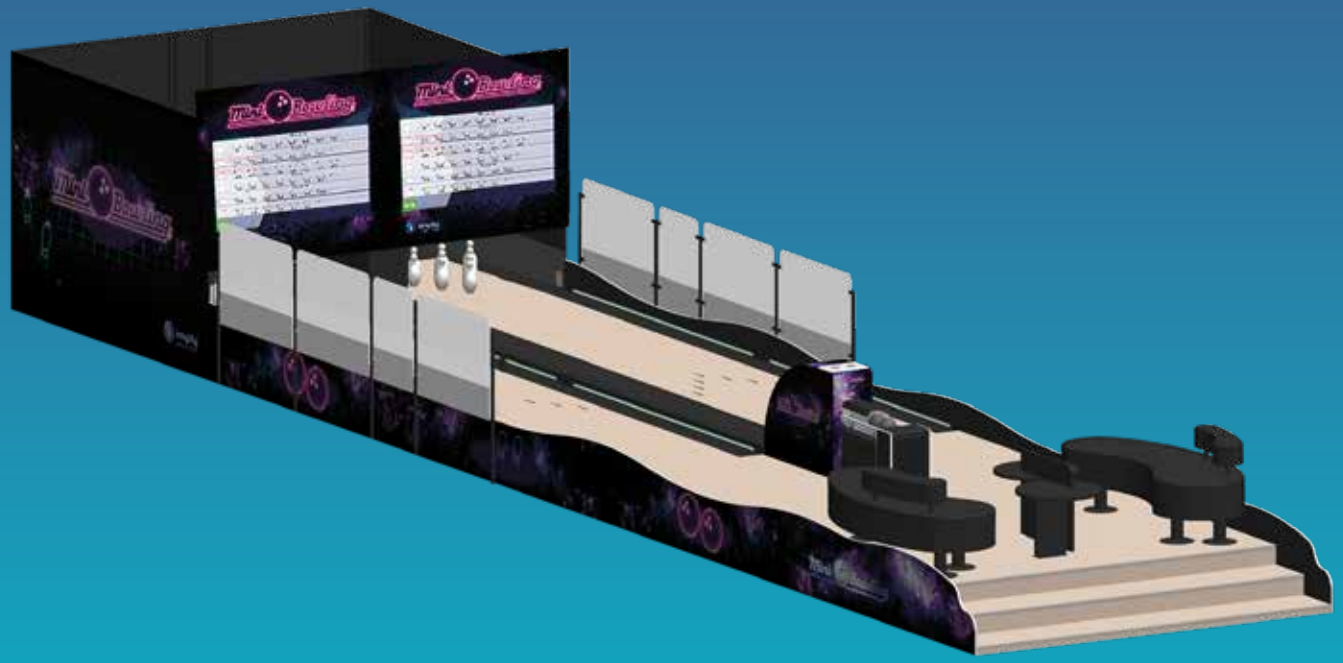
- Black
- White
- Black and White
- Wood

OPTIONAL

Side protection

For greater safety, we offer a polycarbonate side protection option for your Mini Bowling. With clean design, the transparent protection not only complements the look of your MiniBowling, but also can be used as advertising space with promotion stickers.





OPTIONAL

BowlingNet Central

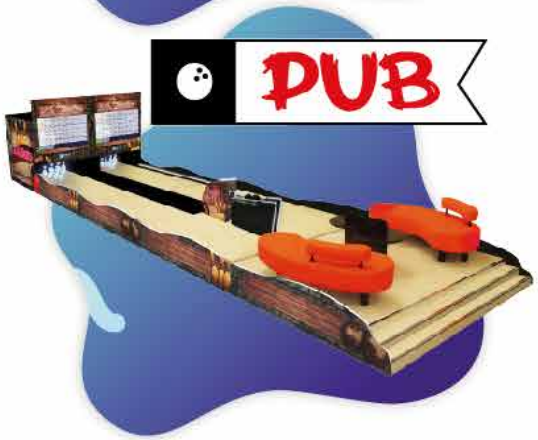
Software for operating and controlling the lanes. Intuitive and easy to use, gives you maximum control over the lanes with less effort so that you can maximize your profitability and customer satisfaction.

- Displays the status of the lanes on the main screen to facilitate control.
- Flexibility: Customize multiple options to control your bowling your way.
  Control the form of collection (prepaid or postpaid), and the credits modality (time or lines). It allows you to set different prices for days and times, and even different values for holidays, birthdays, happy hours, special promotions, among others. Control over discounts and extras (must inform reason for registration).
- Streamlines in a few clicks the control of your lanes, allowing opening and closing, and send commands, such as: name of the players, foul line, bumper, return move, reset, restart, add time/lines credits, inverting lanes, opening in maintenance mode, among other options.
- Allows setting the number of credits (tokens, coins, smartcard) used for each player.
- Allows setting the value for the redemption tickets.
- Allows setting the game mode and timeout.
- In addition to bowling, you can also control other equipment (optional), such as pool tables, party rooms, and more. It allows you to set time and pricing options for each profitable asset.
- Register users. All access to the system is authenticated via username and password.
- Can be integrated with other systems (Imply® provides documentation to integrate).

Includes:

- CPU
- LCD 18.5”
- Keyboard
- Mouse
- Network Switch
- BowlingNet Central Software License

Are you ready for an impressive look? Choose the design of your MiniBowling:

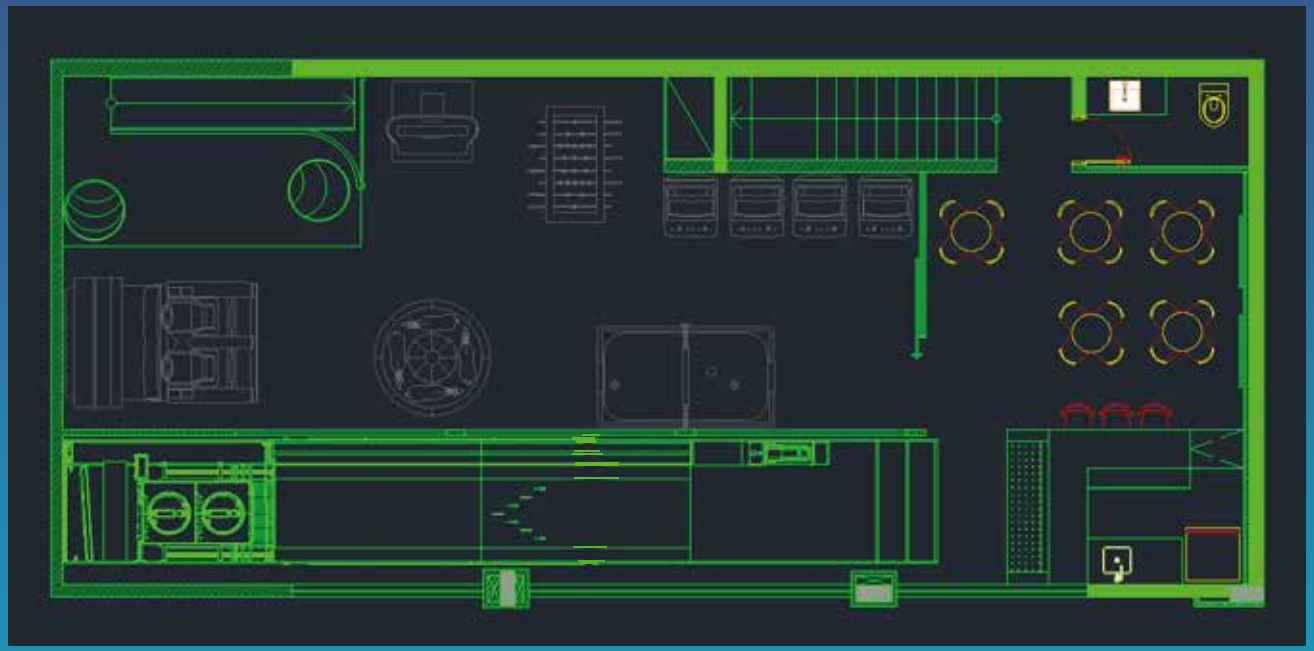


All specifications are subject to change without notice. Pictures and drawings are merely illustrative.

Installation

- The installation period with 2 Imply® technicians takes about 2 days per lane, along with 2 assistants provided by you.
- Besides, it is very important that your appointed bowling technician is present during the installation to receive training and knowledge transfer from our team about the equipment.
- Important: Leveling the floor at the site where the lanes will be installed with maximum acceptable tolerance of 3/8 inches | 2cm gap.

We will provide the best solution for your Bowling, creating a custom project especially for you. Our team will assist you with ideas and suggestions for your project and building, as well as useful guidelines to increase the positive experience of your customers.



Quality

- UL Certification and CE Marking, following international norms and standards of quality.
- Manufacturer Warranty and Technical support from our highly qualified team.
- International Distributors network.
- Imply equipments are developed to require minimum maintenance and low operating costs.

Start your project now and you could start seeing a return on your investment next quarter.

Bowling is a profitable industry with high returns of investment.

- Guaranteed attractive impact for a variety of entertainment applications: Family fun, happy hours, birthdays, parties, events and much more.
- Fun for all ages!
- Proven attraction worldwide: Bowling will become the main attraction of your business, improving your profitability, traffic flow , and food & beverage sales (if applicable).
- Bowling is a solid investment: The operation provides stable revenue levels, with cash flow throughout the year.
- Combining lots of fun and bowling together to create a cool vibe atmosphere, MiniBowling has a promising future. It is the ideal business to unite a quick payback with the enthusiasm of promoting fun.

Fast payback per lane potential annual revenue:

Game Price	20 games per day	30 games per day
$3	$ 21,900	$ 32,850
$4	$ 29,200	$ 43,800
$5	$ 36,500	$ 54,750
$6	$ 43,800	$ 65,700
$7	$ 51,100	$ 76,650
$8	$ 58,400	$ 87,600
$9	$ 65,700	$ 98,550

Simulation for 365 days of operation
