

The TT-2000 Ticket Eater®

A fully automated, high speed, stand alone Ticket Eater® that counts and destroys tickets and prints a receipt.

TT-2000 fills big shoes, but has a small footprint:

Only 21" x 21" x 59"H.

A valuable tool to make the redemption process part of the FUN! The customers feed their own tickets into the TT-2000 and enjoy the display and counting process - presenting a receipt to redeem their prizes.

FEATURES - Time Tested / Customer Trusted

NEW 8 digit dot matrix message displays each ticket value and total points counted - 10 tickets/second!! FULLY PROGRAMMABLE for receipt message/attract mode/ message to player!!!
