DOUBLE SPIN

MANUFACTURED BY: **SEGA**
SINGLE PLAYER

DOUBLE THE FUN!

Sega's Double Spin gives you twice the excitement of traditional big wheel ticket redemption arcade games with its unique LED lit dual wheels and double spin controllers. Also, with its giant super bonus display that leaves no players in any doubt what they are playing for, Double Spin is sure to make a big impression across all amusement locations! Players use their skill and judgement to spin both wheels. The first wheel represents a ticket value, the second multiplies that ticket value or line up the 'Super' & 'Bonus' symbols to win the super bonus! Double Spin, double the wheels, double the fun!
