MANUFACTURED BY: **ICE****5 PLAYERS & ABOVE**

Milk Jug Toss

STEP RIGHT UP AND TOSS A BALL

Milk Jug Toss represents that all time classic Carnival "Ball Toss" style game play. A beautifully designed arcade cabinet that reflects its travelling roots the game features a large traditional "Milk Jug" for the big points target and two levels of secondary targets for the player to score additional points, and what do points make.... Tickets!

The game play is naturally both challenging and fun. During extensive testing, repeat play was demanded by 90% of players, always a good sign! Milk Jug Toss is the perfect addition to any ticket redemption arcade and remember cream always rises to the top!!
