Strike Fighter! This Command and Control.
You are weapons free! engage and destroy all targets!

Roger, C and C Understand weapons free.
We are in-range and engaging now!
SEGA STRIKE FIGHTER

This is what you've trained for!

You are a Marine aviator, call sign "Strike Fighter", piloting a heavily armed F-18 Hornet into hostile territory. The enemy is powerfully fortified and ready for the fight. In the air you'll encounter MiG Fighters and Bear Bombers while from the ground, you'll take fire from S7 Sam Missile Launcher's and ship-based anti-aircraft guns.

The Fight's on! Will you be a Top Gun or MIA?

Player Controls include:
- Altitude Control Stick - Controls AC's up/down and left/right attitudes.
- Gun Trigger - Fires 20mm Vulcan Cannon.
- Missile Launch Switch - Fires air-to-air and air-to-ground fire-and-forget missiles.
- View Change Switch - Selects the heads up display cockpit interior or rear of AC view.
- Throttle Pedals - Controls AC heading.
- Thrust Controls - AC speed.
- Air Brake Switch - Decelerates AC quickly.
- View Stick - Move stick to see above, behind, and to the sides of AC.

Game Features Include:
- Three 29.31-KHz. High resolution Nano Monitors deliver a 170-degree field of vision (Deluxe model only).
- True stereo sound delivered through two in-dash stereo speakers and an in-seat sub-woofer let you hear and feel the power.
- Three challenging levels. (Training, Desert Fire and Red Rock) offer incredible game-play depth. The two mission levels. (Desert Fire and Red Rock) if successfully completed, give players mission selection choices making each game a new adventure.
- Challenging bonus stages. See if you can hook up to a C130 aerial refueler or catch the arresting cable on the deck of a pitching carrier deck, though to be the most difficult maneuver an aviator can master.
- Detailed heads up display data includes:
  - AC Altitude
  - AC Gage
  - AC Speed
  - Remaining missiles and 20mm ammunition levels.
