

# SUPERBOOTH

MANUFACTURED BY: **SEGA**

**5 PLAYERS & ABOVE**

Superbooth

## THE PHOTOTAINMENT EXPERIENCE!

Superbooth is unlike any other product in the arcade today! Superbooth includes superb surround sound, pulsating lights and a high powered studio fan - for that all important glamour fashion shoot feeling! Players watch the 42" LCD screen where one of five fun and funky photographers will provide instructions on how to pose.

Each session includes nine photo's and always finishes with three 'free style' snaps, the product is the roller coaster of photo booth industry.'
