# THRILL RIDER

## Attributes

### Construction

- \*Rigid cabinet construction featuring extra heavy duty base design and 2" structural tubing with 7 gauge powder coated steel
- \*Small, light weight DLP projection unit eliminates the need for large screen projection
- \*Solid state video using flash cards- no DVD player
- \*Flash cards make new coaster upgrades a breeze
- \*Solid state electronics with CPU card, motor card, and flash card for ease of service
- \*Rear access panel for easy servicing

### Safety

- \*Full coverage safety fence system
- \*Locking entrance turnstile
- \*Inside perimeter safety sensors
- \*Passenger seat belts
- \*Rubber padded grab rail
- \*Motor stop safety button

### Aesthetics & Game Play

- \*Polycarbonate tinted roof for enclosed & focused atmosphere
- \*Attractive flashing marquee
- \*Amusement park design turnstile
- \*Riders choose from one of 4 of America's best coaster to ride
- \*Blower fans run during ride adding to the illusion of actual movement
- \*Extraordinary themed music specially synced to the ride
- \*Vacuum formed side panels for a real roller coaster look
- \*Back printed polycarbonate decals for super durability
