Showdown Super Deluxe

WELCOME TO SHOWDOWN!

Showdown is the ground-breaking new racing game from legendary arcade game publisher Sega and racing specialists Codemasters, the team behind 2010's hugely successful GRID arcade racing game. Showdown delivers arcade thrills and full contact racing in every event, each an electrifying festival of energy, speed and destruction that demands repeat play.

Players will fully commit on every corner and overtake as they take on spectacular circuits set across the world. Showdown's tracks are littered with obstacles, pinch points, multiple-routes and ramps to deliver action-packed, white-knuckle action in each and every race. Players are fully immersed in the action with the game's stunning graphics, a huge HD 65" LED display and ground-breaking pivot motion technology. An all-new handling system makes the game both accessible and rewarding for the player as they dive into a new world of motorized mayhem bursting with speed, style and destruction.

Showdown Special Attraction is a combination of ground-breaking new technology and years of expert experience in video game cabinet design, delivering striking looks and an experience like no other!
