

# RODEO RACE

WEIGHT: 372 kg/820 lb

## A competitive water game with interactive targets!

- Race the bulls to the finish line by shooting themed water blasters at lit up and interactive targets
- Cowboy themed cabinet
- Large bull head marquee with shining lights
- The bulls move across the play field as you play
- No water stored on the play field. Water recycling system with a tank inside the cabinet
- Progressive bonus system
- Add another carnival game to your venue!

### Latest 4 weeks of earnings from a Southwest location
