When the Military can't, Ghost Squad can.

GHOST SQUAD™

Global - Unconventional - Operation & Special - Tactics

You are a member of the elite Special Forces team Ghost Squad. The Ghost Squad is only assigned the hardest, most dangerous missions. You're about to find out if all your years of training were enough.

Game features include: ビス専用

- Two player 50 inch Deluxe cabinet brings you into the action.
- Realistic sub-machinegun with controls for:
 - Selector lever - switch from single shot to 3 burst shot to fully automatic.
 - Action button - used to activate many game events
 - Life like recoil - you'll feel the power of your weapon
- Multiple stage select. Players can choose their route ensuring a different game play experience every time.
- Mini events that force players to use special equipment and tactics like:
 - Night Vision Goggles. You can see them but they can't see you.
 - Gun mounted Flashlight. Find the enemy before they find you with just the light of your flashlight.
 - Sniper rifle. Take down the enemy guards before the attack.
 - Hand to hand combat. Sometimes, your too close to use a gun.
- Player IC Card Lets players:
 - Save points and receive field promotions from Private all the way up to General of the Army.
 - Select uniform. Give your character a unique look.
 - Select standard weapon. Each has its own unique capabilities.
 - Register scores on a worldwide internet ranking system.

Tentative Design

Dimensions:
80d x 64w x 85h
550lbs.
