Remote Control: APP to retrieve audits, reports, and alerts in real time. It will also let owners know about the status of the film, if the cash box is full and its location.

Portable Photobooth: This range of ultra-light and ultraportable PhotoBooths is specially designed to suit any space and have an easy mobility.

Email & Social Networks: Share photos and videos via email and social networks.

Share Secure: The safest way to share photos via social networks because private data is never typed at the PhotoBooth. The PhotoBooth prints an exclusive QR code.

Led Revolution: Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed diam nonummy nibh euismod tincidunt ut laoreet dolore magna aliquam erat volutpat.

Customize

- Custom or advertising on screen
- Text on the side of the print
- Logo printed on photos
- Custom Cloud

QR-Photo: The photos are printed with a unique and exclusive QRcode that users scan with any Smartphone and allows them to access The Cloud.

The Cloud: A server to control and manage the PhotoBooths and events online. It's Possible to customize the Cloud with owner's look and their corporate logos and capture the email addresses for commercial purposes.

MyPhotoCode App: Free application to smartphones from DC. The first social network application for PhotoBooths that allows sharing, voting, and the ability to comment on funny photos.

6 Game options

- Color 2 strips
