### \* \* \* *AUGMENTED & VIRTUAL REALITY*

AR & VR continue to be hot topics in the amusement industry, with IAAPA 2018 showing off more products within this genre than ever before. You can browse the full category here:

<http://primetimeamusements.com/product-category/augmentedvirtual-reality/>

Recommended products in this category:

\***Virtual Rabbids: The Big Ride** by LAI Games. This has posted strong earnings at many locations and does not require a full-time attendant to “babysit” it:

<https://primetimeamusements.com/product/virtual-rabbids-the-big-ride/>

\***Tomy Waterfuls: Ring Toss** by ICE. A new product, this brings the old “water ring toss” handheld toys by Tomy into the modern age with assistance from Augmented Reality:

<https://primetimeamusements.com/product/tomy-waterfuls/>

\***Beat Saber Arcade** by VRsenal. Beat Saber is a virtual reality rhythm arcade game that allows the player to slice & dice the musical notes that come at you. Also designed to remove the need of a full-time attendant. <https://primetimeamusements.com/product/beat-saber-arcade/>

\***Mystery Island** by Touch Magix. Boasting itself as the world's first “Mixed Reality” game (MXR), Mystery Island is a video redemption piece that features the most unique projection mapped display in the industry. <https://primetimeamusements.com/product/mystery-island/>

\***Extreme Machine VR** by Xtrematic. This is a versatile multi-game VR product with several hardware features that helps set it apart from other VR machines; it even includes custom, exclusive content! <https://primetimeamusements.com/product/extreme-machine-vr-platform/>

### \*\*\**BASKETBALL MACHINES*

Basketball arcade machines are designed primarily for commercial use and have become more

elaborate and attractive with recent advances in technology. That said, we see many inquiries for placing basketball machines into residences; give us a call about which game will work best for your situation. Browse all basketball machines here: <http://primetimeamusements.com/product-category/basketball/>

Recommended products in this category:

\***Connect4Hoops** by Bay Tek Entertainment. If you have the space and the budget to impress, then you can't go wrong with this incredible Augmented Reality title by Bay Tek. Play the classic board game by shooting hoops! <https://primetimeamusements.com/product/connect-4-hoops/>

\***NBA Game Time** by ICE. Don't forget, we can also customize a basketball machine for your arcade, company event, party and more!

### \*\*\***BOWLING**

Most distributors only have a “passing familiarity” with bowling, but not PrimeTime Amusements - we're the bowling experts. We not only operate professional bowling lanes across several locations across Florida, we also have staff who have worked for bowling manufacturers! We have designed a special landing page for bowling with information and various options: <http://primetimeamusements.com/bowling/>

Recommended products in this category:

\***Green Bowling** by Impley. This is the preferred professional option that we currently offer. Available in two sizes: Full Professional and the slightly shorter Bowling Café. \***Lane Master** by UNIS. Steeping down to the arcade-sized options, Lane Master is one of the most popular video titles on the present market, shipping with two units and playing similar to an alley roller. <https://primetimeamusements.com/product/lane-master/>

\***Family Guy Bowling** by Team Play Inc. If you don't have the space or the budget for any lane, but still want to offer bowling excitement, then check out Family Guy Bowling. This is especially a good option for venues that serve food & drinks. <https://primetimeamusements.com/product/family-guy-bowling/>

Don't forget the alley bowlers (commonly mistaken as “Skee Ball”): <https://primetimeamusements.com/product-category/alley-bowlers/>

### \*\*\*VIDEO GAMES

Ever since Atari released PONG back in 1972, video arcade machines have been a great way to maximize the earning potential of any commercial space. Many modern video games feature known licenses and content that is exclusive to the format (i.e., you can't get the same game or the experience on your phone or home game console. Because of the breadth of this category, we have a few more recommendations to offer than in the others. Browse all video games here:

<https://primetimeamusements.com/product-category/video-games/>

Recommended products in this category:

\***Halo: Fireteam Raven** by Raw Thrills. Bring the Master Chief to your arcade in this unique take on one of the most recognizable and popular shooting games in the video game business. \***Daytona Championship USA** by Sega Amusements. Daytona USA was one of the most successful arcade games to ever hit the market and now you can capture that excitement – and the earnings – with the HD remake. Available in standard and deluxe models:

<https://primetimeamusements.com/product/daytona-championship-usa-standard-model/>

\***Storm Racer G Deluxe** by Sega Amusements. Last but not least in this category is a fantastic racer that plays like Namco's old Ridge Racer, but features modern graphics and a motion base. Despite that motion base, it's a very affordable game for the class, with quick ROI:

<https://primetimeamusements.com/product/storm-racer-g-motion/>

### \*\*\***VIDEO REDEMPTION (VIDEMPTION)**

For the past few years, video redemption games have played a strong role in many ticket redemption centers. Sometimes these are ports of the hottest mobile games, enhanced with a giant screen & new controls; or they are unique twists on classic concepts. Either way, these titles provide great versatility and earnings for locations that operate them. Browse the full category here: <https://primetimeamusements.com/product-category/video-redemption/>

Recommended products in this category:

**\*Spins Ahoy!** By Team Play. Why not bring a swashbuckling adventure to your arcade? Available in two models: Spinner & Pinball. Both models have posted incredible earnings on test.

[https://primetimeamusements.com/?post\\_type=product&s=spins](https://primetimeamusements.com/?post_type=product&s=spins)

**\*Injustice Arcade** by Raw Thrills. While this game does not vend tickets, it does vend collectible cards that players just can't get enough of. With Series 2 launching in 2019, and more series planned for the future, this is one game that will pay itself off and then some.

<https://primetimeamusements.com/product/injustice-arcade/>

**\*Mannequin Challenge** by Touch Magix. One of the few games that requires the player to use their body as the controller, users are challenged to strike a pose as quickly as possible to move onto the next round. The faster you manage, the more tickets you win; this even has a photo booth option!

<https://primetimeamusements.com/product/mannequin-challenge/>
